We are delighted to market this spectacular home with sea views. This apartment is located on the seafront, allowing you to enjoy fresh air every day and fabulous views. Furthermore, the fact that it is in front of the new port project makes it an investment that cannot be missed. This apartment has a private interior elevator, since they are two different floors, joined after the renovation. In addition, the materials used in this home, marble and granite, along with the finishes, are of the highest quality. The house consists of a bright living room, with the kitchen integrated into it on the upper floor. You could take the elevator down to the ground floor, where you will find two large bedrooms, each with its own bathroom en suite. Do not hesitate to contact us to organize a visit to the home of your dreams!~
