Centrally located just 200 metres from the Plaza de la Constitucion and 5 minutes walk to the sea. It seems a very good opportunity to live with

space and comfort in Torrevieja. Why spacious?~Because we are talking about a bright flat with 2 bedrooms, built-in wardrobe and a large living-dining room. In total, a generous surface area of 64 m2.~Also because of its sunny terrace with unobstructed views, with no neighbours opposite.~Or for its good kitchen, independent and spacious, with plenty of space to move around while you serve toast to your family around the table.~And the comfort?~Because of its location, next to the centre, the port and the seafront promenade... short distances and everything within reach.~And of course, you will enjoy a spacious and well-kept swimming pool, to relax and refresh yourself without leaving the house.~Also, forget about wasting time looking for a parking space because the price of this flat includes a large parking space for a large off-road car.~It is furnished as you see it in the photos, and freshly painted.~This is this young flat from 2003, do you want to visit it? Then you know~
